

Safeguarding Policy of Les Chenilles (“the Charity”)

1. Preliminary

1.1 The Charity Commission has stated that safeguarding should be a key governance priority for all charities, regardless of size, type, or income, *not just those charities working with children or vulnerable adults*. It has also stated that it is essential for charity trustees to have and implement safeguarding policies and procedures and that they have to be adequate and appropriate for the charity’s particular circumstances.

1.2 This Policy applies to all trustees, contractors and volunteers of the Charity.

2. Commitment to safeguarding

2.1 Those who receive services or participate in the activities provided by the Charity or who come onto the Charity’s premises are referred to in this Policy as its “Clients”, “Beneficiaries” and “Service Users”.

2.2 Clients, Beneficiaries and Service Users may be at risk due to age, illness or disability. The Charity is committed to working in their interests, to promote their welfare, and to put in place safeguards and measures to protect them. In providing services and activities for Clients, Beneficiaries and Service Users, the Charity will endeavour at all times to minimise risk to them and to ensure that they are as safe as the Charity can make them.

2.3 The Charity aims to protect all of its Clients, Beneficiaries and Service Users from any act or behaviour of any member of staff or volunteer which, whether deliberately or unknowingly on the part of that member of staff or volunteer, gives rise to harm or ill treatment.

2.4 Such harm or ill treatment includes abuse (physical, sexual, emotional, discriminatory, institutional or organisational, financial or material), neglect, or impairment of the health or development of the Charity’s Clients, Beneficiaries or Service Users.

1) The Charity recognises that it has a duty to act on reports or suspicions of abuse or neglect. It adopts a “zero-tolerance” policy of abuse within the Charity.

2.5 The Charity maintains a Safe Working Practice Guidance. It includes:

- 2) details about when and how risk assessments for
 - a) contractor roles;
 - b) volunteering roles; and
 - c) particular activities

should be carried out.

3) guidance on use of ICT related activities such as use of social media, email and internet.

The Charity will ensure that the Guidance is implemented by all within the Charity and, for that purpose, it will ensure that its trustees, contractors and volunteers have read and understood it.

2.6 The Charity will work in partnership with local / national agencies to put in place appropriate procedures for reporting, making referrals, and accessing training and specialist support, as and when required.

3. Safe recruitment

3.1 To aim to protect its Clients, Beneficiaries and Service Users, the Charity will seek to recruit staff, sub-contractors and volunteers using appropriate procedures, safeguards and checks.

3.2 The Charity will take up at least two references for all staff posts and volunteer roles prior to appointment.

3.3 The Charity will provide an induction programme for all new volunteers and staff, and appropriate training and ongoing/refresher training for them at regular intervals, to enable all volunteers and staff to undertake their roles safely, effectively and confidently. The induction will make it clear to them that they have an obligation to implement this Policy and to learn about protection issues and their related responsibilities.

3.4 Where the Charity should do so, it will use the Disclosure & Barring Service (“DBS”) checks to help it to assess suitability of a candidate for a particular volunteer or contractor role which is treated by the DBS as Regulated Activity and is therefore subject to a barring list check. In relation to a post or role which is eligible for an enhanced DBS check, where it considers it appropriate it will carry out an enhanced DBS check. The Charity will assess any criminal record information that is disclosed in line with its data protection and equalities obligations.

3.5 The Charity will regularly review its recruitment and other human resources procedures in response to changes in legislation and systems external to the Charity, e.g. DBS and barring list checks.

4. Volunteers

4.1 Volunteers will be treated equally alongside paid contractors, and all volunteers will be offered the same opportunities for advancement, responsibility, training and gaining qualifications, and acknowledgement for their contribution to the Charity.

4.2 In turn, volunteers will be required to adhere to the applicable parts of the Code of Conduct (Staff and Volunteers) at all times as a representative of the Charity. Before they take up their role, they will each be given a clear description of the requirements and responsibilities of their role and the member of staff or trustee recruiting them will discuss their role with them, to ensure that they understand what is expected of them.

4.3 Any volunteer roles, which would be Regulated Activity if unsupervised, will be appropriately supervised in accordance with statutory guidance.

5. Safeguarding Officer

5.1 The Charity's appointed Safeguarding Officer as from 23rd September 2022 is Louise Williamson and the Deputy Safeguarding Officer is Isabelle Kihm. They will have access to appropriate training to support them in this role.

5.2 They will be available to all staff, volunteers and Clients, Beneficiaries and Service Users to speak to when they have any concerns, issues, or complaints regarding the safety, well-being or conduct of Clients, Beneficiaries, Service Users, volunteers or staff.

5.3 The Safeguarding Officer and Deputy Safeguarding Officer will liaise with appropriate local and national agencies, contribute to appropriate policies, maintain records, keep confidentiality, adhere to and promote this Policy within the Charity, and support or provide access to support for individuals suffering harm or abuse.

6. Awareness of harm and abuse within the Charity

6.1 All incidents of harm to any Client, Beneficiary or Service User will require an appropriate response to reduce risks and improve the Charity's services and activities.

6.2 Harm is caused by accidents, deliberate abuse (physical, psychological, sexual, emotional, financial), neglect (deliberate or not) or factors such as bullying, prejudicial attitudes, or a failure to enable a person to participate in activities that are open to most of their peers. It can also include abuse via use of ICT facilities (e.g. grooming, bullying via the internet).

6.3 Deliberate acts of harm (physical, psychological, sexual, emotional and financial) and neglect are abuses against the person. Those acts will incur disciplinary proceedings and require reports and referrals to social services, the police, other professional bodies, and the DBS if the act is by someone in Regulated Activity. If a criminal offence is thought to have been committed by any staff member or volunteer, the police will be informed.

7. Confidentiality

All reports and logs (including personnel records) will be kept securely and confidentially according to the Charity's Data Protection Policy and Confidentiality Policy or in line with the DBS Code of Practice for Registered Bodies if appropriate, until or unless it is necessary to share this material with the agencies named above. Information will be shared by the Charity on a "need-to-know" basis only.

8. Reports of possible or actual harm

8.1 The Charity supports and encourages all Clients, Beneficiaries, Service Users, volunteers and contractors to promptly speak up and contact the Safeguarding Officer or Deputy Safeguarding Officer where there is a concern (i.e. a worry, issue or doubt about practice or about treatment of a Client, Beneficiary, Service User or colleague, or their circumstances), or a disclosure (i.e. information about a person at risk of or suffering from Significant Harm) or an allegation of an incident or a possibility that a volunteer or staff member has caused harm or could cause harm to a person in their care.

8.2 Contractors and volunteers can report, and have a responsibility to report, something that they become aware of if they suspect or discover that it is not right or is illegal or if it appears to them that someone at work is neglecting their duties, putting someone's health and safety in danger or covering up wrongdoing. They may become

aware of any of these things from what they see or hear or from something another person has disclosed to them.

8.3 The contractor or volunteer making a report should speak to the Safeguarding Officer who is also the Charity's trustee with appropriate responsibility - Louise Williamson

8.4 The Charity prefers that anyone should use internal processes whenever possible to make a report as above, but this does not prevent them from making a report or referral, in their own right as a private individual, to statutory agencies such as social services or the police.

8.5 The Charity cannot promise confidentiality to contractors or volunteers making an internal report to the Safeguarding Officer/Trustee where it has to be shared with any statutory agencies.

8.6 The Charity also supports its contractors or volunteers to raise concerns or to disclose information, which they believe shows malpractice - whistle-blowing (disclosure in the public interest).

9. Safeguarding Officer's action

Where there is risk of Significant Harm to any Client, Beneficiary or Service User, volunteers or contractors, the Safeguarding Officer and Deputy Safeguarding Officer have the power to act as necessary and, in particular, as follows:

- log all conversations regarding the issue
- sign and request signatures on reports and statements
- confidentially seek advice from expert sources
- share concerns (with consent where required and appropriate) internally with the Board of Trustees
- share concerns and make referrals to external agencies such as social services or the police, as appropriate to the circumstances
- make a referral to the DBS regarding staff or volunteers in Regulated Activity whose conduct is harmful to Clients, Beneficiaries or Service Users and refer them to DBS when they are removed from Regulated Activity.

10. Communication by the Charity about safeguarding and this Policy

10.1 All staff and volunteers have an obligation to learn about protection issues and their related responsibilities.

10.2 The Charity will communicate this Policy (using appropriate methods, formats and language to communicate the substance of it) to all of its staff, volunteers, and Clients, Beneficiaries, Service Users and their families / carers, and it will also make it available to the public.

10.3 To encourage everyone involved in the Charity to understand that safeguarding is the business of everyone, and to assist all staff and volunteers to learn about protection issues and their related responsibilities, the Charity will place safeguarding on the

agenda for meetings of the Board of trustees for discussion about issues and concerns, policy and procedures to reflect, review and to continue to learn and improve in relation to the Charity's safeguarding responsibilities.

11. Implementation of this Policy

11.1 This Policy must be followed by all contractors and volunteers of the Charity and must be promoted by all of its Board of Trustees. Failure to follow it will be treated as a very serious matter.

12. Adoption, coming into effect, and review, of this Policy

12.1 This Safeguarding Policy was approved by the Board of Trustees of Les Chenilles on 13 May 2023. It also comes into force on that date.

12.2 The Board will, as appropriate, monitor and enforce this Policy,

12.3 The Board will revise this Policy from time to time. The next date for review of this Policy by the Board will be 23 May 2024.
